Dear Constituent.

**Re: Planning application reference:
Cwm Uchaf Farm, Heol Dowlais, Efail Isaf, Pontypridd, CF38 1BD**

I am writing to you because I have had numerous representations regarding an application for outline planning permission for the building of 600 homes on the above land.

I have met with your local County Councillors Jacqui Bunnage and Joel James who have organised a local action group to campaign against the application, ***“Residents Against Cwm Uchaf ”***.

I enclose the submission I have made to RCT which focuses on three particular issues.

There is a Council Consultation underway. I would encourage you to make your own submission to the Consultation which you can access via the following link:

<http://www.rctcbc.gov.uk/en/environmentplanningandwaste/planning/planningapplications/planningapplications-object-support-comment.aspx>

The consultation officially closes this Friday 20th November 2015 but I understand any submissions received in the next week or so will still be considered, so you should do this as soon as possible.

Please do not hesitate to contact my office if you require any further information.

You can contact the action group, by emailing:

Yours Sincerely
